HOW TRADE IN! TRADE UP! WORKS

1. Trade In! Trade Up!

Trade your current model golf club in for a new Callaway Golf club by simply paying the difference between the price of the new club and the value of the traded club. Depending on the clubs you have now, that could mean big savings!

2. Find the Trade In Value

Check the value on your current Callaway Golf club or clubs from another major brand. The Trade in! Trade Up! Program uses just one trade value per model.

3. Select a New Callaway Golf Club

Find a participating retailer by using our Retail Locator. If you can, visit a demo day or ask to be fitted into one of the new clubs. With some terrific new woods and irons just introduced, you'll definitely want to try our latest technology for yourself!

For questions, visit your local retailer, call at 800-228-2767 ext. 4020 or 4338 or visit www.callawaygolf.com/trade.
